

Sub-Site Supervisor Orientation Resources

Supervisor Roles:

[Supervisor Webinars](#)

Find links to past and future webinars for supervisors.

[Supervisor Cafe](#)

Join the conversation with fellow supervisor on the VISTA Campus Supervisor Forum.

[VISTA Leaders](#)

Read this excerpt from the Supervisor Orientation workbook to learn about the VISTA leader program and see if a leader might be a good addition to your project.

[VISTA Sponsor and Sub-Site Supervisor Major Tasks At-A-Glance](#)

Customize this checklist to make sure your sub-site supervisors have the background needed to manage their VISTAs.

[The AmeriCorps VISTA Impact App](#)

This tool provides a simple way for VISTAs to document their activities and share them with their supervisor.

[Capacity Building in Action for Supervisors](#)

Identify and explore the key elements of capacity building

[VISTA Terms and Conditions](#)

Learn about VISTA Terms and Conditions that VISTAs must adhere to while serving.

Benefits:

[Benefits of Service](#)

Review details about benefits including, living allowance, end-of-service award, life insurance and healthcare.

[VISTA Health Benefit Provider](#)

Learn about the two health programs offered to VISTA members.

[Stories of Service: Living Allowance](#)

Living on the VISTA stipend while in service can be challenging. In this "Stories from Service" session we'll hear from two currently serving members about what it's like to live in very different parts of the country on the living allowance.

Outside Employment

[Outside Employment Policy](#)

On May 3, 2015, the VISTA program revised its policy on outside employment to make VISTA service accessible to the widest possible range of candidates regardless of economic status. The resources below explain the details of the policy and how to implement it.

Sub-Site Supervisor Orientation Resources

PSO Blend

[Briefing on the PSO Blend for VISTA Supervisors](#)

Learn about the plans for a new approach to training incoming VISTA members that blends distance learning and fieldwork, including the role of the VISTA supervisor.

[Pre-Service Orientation Blended Curriculum](#)

This resource allows VISTA supervisors to adjust their On-Site Orientation and Training to fit the PSO Blend schedule and to support their VISTA members as they participate in the PSO Blend.

Recruitment

[Recruiting VISTAs](#)

Finding, vetting, and selecting the right candidate(s) for your VISTA project is critical. Effective VISTA member recruitment involves thoughtful planning, especially when multiple sub-sites are involved in the process. This link provides a variety of resources to support the recruitment process.

[VISTA Member Recruitment Calendar](#)

Generate a list of recruitment milestones based on your members' PSO dates using this tool created by VISTA Leaders.

OSOT Resources

[Supervisor Orientation Workbook](#)

Download the workbook distributed at Supervisors Orientation. Use this resource to aid you in orienting and training your sub-site supervisors.

VAD Resources

[Writing Fabulous VADs](#)

Join us to review the key elements that make up an effective VAD that will guide members to build capacity and engage community in the organization where they will serve.

[Creating Effective VADs](#)

View this tutorial to gather more information on how to create an effective VAD.
